Terms and Conditions of use

In the box.

The Leaf Geo-pin™ box contains the following:

- a. **1 x Geo-pin**
- b. **1 x Wall charger**
1 x Car charger
1 x USB cable

- c. **Getting Started guide:** This guide will help you to get your Geo-pin up and running. For more detailed instructions, please refer to the electronic user manual contained on the installation CD.

- d. **Installation CD:** The installation CD contains the Geo-pin configuration software and electronic versions of the Getting Started guide, user manual and the Terms and Conditions.

- e. **Geo-pin Username/Pass Code:** Printed inside the back cover of the Getting Started guide.

NOTE:

Please keep this key safe, as you will need it to configure the Geo-pin and allow others to view your location.

Get connected.

To use your Geo-pin, you will need to insert a SIM card with an appropriate cellular data or data and voice plan: contract or pre-paid.

1. Lift the belt clip release.
2. Slide the belt clip out to remove it.

3. Lift the battery cover release.
4. Remove the cover.

5. Lift and remove the battery.

6. Unlock the SIM holder and lift it.
7. Insert your SIM card.
8. Close and lock the SIM holder.

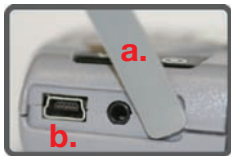

Charging.

Please charge your Geo-pin's battery for 12 hours before using it for the first time.

1. Remove the sticker covering the battery contacts.
2. Replace the battery and cover. The Geo-pin will switch on

3. Lift connector cover [a.] on the side of the Geo-pin to access the USB connector [b.].

4. Your Geo-pin can be charged by plugging a USB Geo-pin cable into the USB connector that is connected to: a wall charger (supplied), a car charger (supplied), or your computer (not supplied).

Buttons.

The buttons on the Leaf Geo-pin™ have the following functions:

Quick Geo-Fence

After you press this button, the Geo-pin will set up a Geo-fence with your current GPS position and the default radius and emit a tone.

3 beeps: Successful

1 beep: Unsuccessful, usually due to no GPS fix. Move into satellite view (outside) and try again.

Quick Dial (2)

Volume Down

Volume Up

Quick Dial (1)

NOTE:

The Quick Dial numbers and default Geo-Fence radius can be configured using the supplied Geo-pin configuration software.

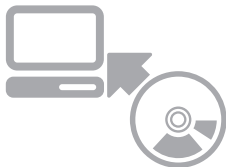

NOTE:

The Geo-pin should only be used in speaker phone or headset mode. **Do not hold the device up to the head.** The audio levels and SAR ratings have not been approved for use in this manner.

Install.

In order to configure your Geo-pin and manage tracking requests, you will either need to use the Geo-pin configuration in Leaf Pinpoint™ Desktop, or install the included Geo-pin configuration software.

Installing the Leaf Geo-pin™ Configuration software

1. Insert the included software installation CD into your PC's CD/DVD drive.
2. Click “Install” on the menu that appears and follow the on-screen instructions.
3. To launch the software, click on its icon in the “Leaf” folder in your “Start” menu.
4. Refer to the electronic User Manual for detailed usage instructions.

Leaf Pinpoint.

To view a Geo-pin's current and historical positions, you can use either Leaf Pinpoint™ Mobile or Leaf Pinpoint™ Desktop.

Please visit our web site at www.leafpinpoint.net or call +27 11 460 8599 for further details.

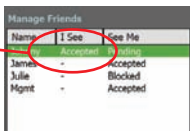

Pinpoint me.

To view a Geo-pin's position in Leaf Pinpoint™ you will need to add it as a Pinpoint Friend.

Leaf Pinpoint™ Mobile

1. Tap the “Friends” button [a.] on the Home screen.
2. Tap the “Add” button.
3. Type the Geo-pin’s IMEI number in the “User Name” field. (The number that identifies your device on the network - 15 digit number).
4. If you have the Pass Code, type that in the field that appears.
5. Tap “Add”

Leaf Pinpoint™ Desktop

1. Click “File” and then “Manage Friends” [b.]
2. Type the Geo-pin’s IMEI number in the “User Name” field.
3. If you have the Pass Code, type that in the field that appears.
4. Click “Add”

Terms and conditions of use (abridged version. Full version on enclosed CD and full updated version can be found at www.leafpinpoint.net or from Leaf directly). **IMPORTANT NOTICE: THIS PRODUCT MAY RESULT IN YOUR PRIVACY BEING BREACHED BY A THIRD PARTY IF YOU DO NOT KEEP YOUR PASSWORD/CODE AND/OR PRODUCT IMEI CONFIDENTIAL. If held up to a person's ear, it may cause harm and injury!!!** Use of the product shall constitute your acceptance of above mentioned terms, including the limitations on use, liability and warranty set out herein. "Territory" means the geographical location and/or country. "User" means the person/entity purchasing and subsequently exercising control over the use of the product. **1. Use of Product** The Product will only function and may only be used in conjunction with the software application known as Leaf Pinpoint™. When using in a different territory than purchased, from Leaf or its agents, the Product may not function optimally and/or at all. **2. Limitation of Liability** Use of the product is entirely at the User's own risk. The product is provided on an "as is" basis. All warranties, guarantees, conditions/other terms implied by statute or common law are, to the fullest extent permitted by law, excluded. Product may malfunction when used with third party software. Leaf does not warrant that the Product's results (a) will meet the User's requirements, (b) be uninterrupted, timely, secure, virus-free or error-free; or will be compatible with other software or applications to be used with or applied, (c) will be effective, accurate or reliable, (d) will be of a quality that meets the User's expectations (e) which has any errors or defects will be corrected, or that (f) any errors in software will be corrected (g) comply with the implied warranties of being fit for a particular purpose, merchantability and non-infringements. User hereby indemnifies Leaf and holds it harmless against any claim by any user and/or other third party in respect of invasion of privacy or any other claim of whatsoever nature and howsoever arising from the use of the products, including consequential damages. Leaf hereby makes the User aware, that Privacy laws applicable in the territory in which the product is operated and/or used should be observed when using the Product. **3. No Improper Use** The User hereby agrees not to use the Product for any purpose that is unlawful, improper or prohibited by these terms and conditions or any laws of the territory the product is used in and to ensure that no other person or entity using the product does so in last mentioned ways. Improper actions include, (not limited to): activities designed to defame, embarrass, harm, abuse, threaten, slander or harass Leaf and/or any third parties, invade a third party's privacy by obtaining another User's Username and Pass Code in an unlawful manner and without their consent and/or any activities prohibited by the laws of the Republic of South Africa and/or any foreign territories in which the User resides; activities designed to encourage unlawful behaviour by others; and activities constituting invasion of privacy and will at all times act in line with the prevailing laws of the territory and/or foreign territory when using information obtained through use of the Product. ***The User understands that, the Username and Pass Code it is prompted to provide on installation and first start up of the product should be kept in a safe place and secret to avoid third party users tracking the user without his consent.*** In the event that an employer wishes to use the product to track employees and/or goods in transit, it acknowledges and agrees to observe the prevailing labour laws of the territory the product is used in and indemnifies Leaf in this regard specifically from any liability howsoever arising. **4. Modification** Leaf reserves the right to modify and amend these terms and conditions without notice to the User. These terms and conditions will be governed by and construed in accordance with the laws of the Republic of South Africa. View full Privacy Policy at www.leafpinpoint.net
